

APPROVED COUNTRIES

Low Risk	High Risk *		
Argentina	Australia	India	Spain
Brazil	Austria	Israel	Switzerland
Canada	Bulgaria	Italy	Thailand
Chile	Czech Republic	Moldova	Turkey
Guatemala	Dominican Republic	Pakistan	Ukraine
Mexico	Egypt	Poland	United Kingdom
New Zealand	France	Portugal	Vietnam
United States	Germany	Romania	
Uruguay	Greece	Russia	

* High Risk Countries: 3rd party audit firm supervises container loading + sampling/lab testing (pollen analysis). Additional requirements may be applicable to High Risk Countries. E.g., India (Financial Audit) and Vietnam (Certificate of Origin Form B).

A risk level for each country is established based upon the following criteria:

- 1. Consistency of honey crop exportation.**
- 2. Approved import standards into major trade countries.**
- 3. Documented history of illegal circumvention of US and International Trade Laws.**
- 4. Alleged history of illegal circumvention of US and International Trade Laws.**

For more info see section 2.3 of True Source Certified® Standards.
